

| Time | Duration | Activity | Author / Speaker | Title | Where |
|-----------------|-------------|--|--|--|---------------|
| FRIDAY | | | | | |
| | | THEME: | Alternative water treatment | | |
| 09:00 | 40 min | Introduction and brief presentation of participants | <i>Lasse Johansson</i> | | Main room |
| 09:40 | 20 min | Focus area introduction | <i>Lasse Johansson</i> | Alternative water treatment | Main room |
| 10:00 | 30 min + 15 | Lecture & Questions | <i>Jan Capjon</i> | Energizing water through flow — and research on the effects | Main room |
| 10:45 | 15 min | Short Tea Break | | | |
| 11:00 | 45 min + 15 | Lecture & Questions | <i>Stephan Schwartz</i> | Infrared Spectra Alteration in Water Proximate to the Palms of Therapeutic Practitioners | Main room |
| 12:00 | 1 h 15 min | Lunch | | | |
| 13:15 | 30 min + 15 | Lecture & Questions | <i>Nigel Wells</i> | Rythmical Flow Phenomena in water and applications of Flowforms | Main room |
| 14:00 | 1h | Practical workshop(s) | <i>Nigel Wells</i> | Experiences with meandering water and flowforms | Outside |
| | " | " | <i>Curt Hallberg</i> | Experiments with vortex treatment of water | Outside |
| 15:00 | 15:30 | Tea break | | | |
| 15:30 | 30 min | Practical workshop, continued | " | " | Main room |
| 16:00 | 1 h | Topic discussions | | Alternative water treatment | Several rooms |
| 17:00 | 45 min | Break / Free discussions | | | |
| 17:45 | 1 h 15 min | Dinner | | | |
| | | THEME: | Alternative water treatment, cont. | | |
| 19:00 | 45 min + 15 | Lecture & Questions | <i>Lasse Johansson</i> | Water memory processes — Clues and open questions | Main room |
| 20:00 | 60 min + 15 | Lecture & Questions | <i>Timothy Winey</i> | Anomalous Effects of Torsion-like Fields on Water and other Liquids | Main room |
| 21:15 | | Free Discussions | | | |
| SATURDAY | | | | | |
| | | THEME: | Alternative climate influencing | | |
| 09:00 | 15 min | Focus area introduction | <i>Lasse Johansson</i> | Alternative climate influenceing | Main room |
| 09:15 | 60 min + 15 | Lecture & Questions | <i>Rein Andre Roos</i> | Vegetation, the Watercycle and Atmospheric Electricity | Main room |
| 10:30 | 15 min | Group Photo | | | |
| 10:45 | 15 min | Short Tea Break | | | |
| 11:00 | 30 min + 15 | Lecture & Questions | <i>Jörg Schauburger</i> | A historical view of the water treatment devices of Viktor and Walter Schauburger | Main room |
| | | " | <i>Jörg Schauburger</i> | The biocondenser and tree measurements | Main room |
| 11:45 | 1 h 15 min | Lunch | | | |
| 13:00 | 45 min + 15 | Lecture & Questions | <i>Benny Johansson</i> | What is life - Beyond the heart and water? | Main room |
| 14:00 | 1 h | Practical workshop(s) | <i>Curt Hallberg & Robert Bärnskog</i> | Static electricity from falling water - Viktor Schauburger's Nürnberg experiment | Outside |
| | " | " | <i>Curt Hallberg</i> | Soil adsorption of vortexed water | Outside |
| | " | " | <i>Nigel Wells</i> | Experiences with meandering water and flowforms , continued | Outside |
| 15:00 | 30 min | Tea break | | | |
| 15:30 | 30 min | Practical workshop, continued | " | " | Outside |
| 16:00 | 1 h | Topic discussions | | Alternative climate influenceing | Several rooms |
| 17:00 | 45 min | Break / Free discussions | | | |
| 17:45 | 1 h 15 min | Dinner | | | |
| | | THEME: | Indirect effects on plants and soil | | |
| 19:00 | 15 min | Focus area introduction | <i>Lasse Johansson</i> | Indirect effects on plants and soil | Main room |
| 19:15 | 30 min + 15 | Lecture & Questions | <i>Bernice Kadatz</i> | Understanding Schauburger's Repulsator, Noble Compost and Their Relationship to the Electric Universe Theory | Main room |
| 20:00 | 45 min + 15 | Lecture & Questions | <i>Udai Pratap Singh</i> | Physiological Response of the Cyanobacterium <i>Anacystis nidulans</i> to a Magnetic Field | Main room |
| 21:00 | | Social meeting with biscuits and cheese. Free discussions. | | | |

| SUNDAY | | THEME: | Alternative water treatment / General topics | | |
|--------|------------------------|-------------------------------------|--|---|---------------|
| 09:00 | 15 min | Introduction | <i>Lasse Johansson</i> | Efforts to structure alternative water research | Main room |
| 09:15 | 30 min + 15 | Lecture & Questions | <i>Michael Lund</i> | The Life Forming Energetic Process via vortex induced implosion | Main room |
| 10:00 | 15 min + 5 | Brief presentation | <i>Brian McSwiney</i> | Alternative lake treatment | Main room |
| 10:20 | 15 min + 5 | Brief presentation | <i>Poul Schriver</i> | | Main room |
| 10:40 | 5 min | Spare time | | | Main room |
| 10:45 | 15 min | Short Tea Break | | | |
| 11:00 | 45 min | Topic discussions | | | Several rooms |
| 11:45 | 1 h 15 min | Lunch | | | |
| 13:00 | 1 h 30 min + transport | Nature outing | | Nature outing to a wilderness area | Outside |
| 15:00 | 30 min | Tea break | | | |
| 15:30 | 20 min | Spare time | | | Main room |
| 15:50 | 1 h 10 min | Discussion. Summary and perspective | | | Main room |
| 17:00 | | Light Dinner and End of conference | | | |
| | | NOTE: | | The last 15 min of the lecture slots are for questions. | |
